Library Notes

A great variety of books may be borrowed, through the library, from the New Hampshire Public Library Commission at Concord; advantage of this assistance has been taken this past year by borrowing books for schools upon request of teachers.

The book committee was very fortunate this year in securing the works of Nathaniel Hawthorne and Oliver Wendell Holmes, in standard library editions, of fifteen volumes each set.

Among other books added that should prove useful for reference, is the "Birds of America," by John Adams Audubon.

The annual Neighborhood Meeting for librarians and trustees of this district was held at the Elkins library, at an all day session, Wednesday, June 7. There were 32 in attendance, including librarians and some of the trustees of the Concord and Manchester libraries, eleven other towns, and members of the New Hampshire Public Library Commission.

Dinner was served to the group by the Merrimack River Grange.

Mrs. Leo S. Mielziner of North Truro, Mass., and New York City, was one of the many interested visitors at the library during the summer months.

A complete renovation was made of the library interior in August, and the trimming on the outside of the building was painted.

The State Highway Department furnished the shrubbery and trees for the new lawn added in 1936. Representatives of the Canterbury and Loudon Telephone Company have agreed to move the poles this spring from the library lawn which will further improve the appearance of the grounds.

During the vacation of the librarian in September the work was efficiently done by Mrs. Camilla Hildreth, acting librarian.

Respectfully submitted,

KENNETH F. MUZZEY,
Librarian.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Canterbury:

I herewith respectfully submit my fourth annual report as superintendent of Canterbury schools:

Statistics

Data covering the school year ending June 30, 1937, are conveniently arranged below:

No. of schools	5
No. of pupils registered	102
Average membership	95
Per cent of attendance	93
Cases of tardiness	116
No. pupils not absent or tardy	8
No. pupils transported	21
Visits by superintendent	88
Visits by citizens	189
Visits by board members	8
Total expenditures	$8,216.92
Per pupil cost-elementary	70.21
State median	77.16

In average membership there was a gain of eight over the previous year.

Perfect Attendance

The following pupils are given special recognition for having attained perfect records for the school year:

Center:
Ronald Hammett
Thomas Shattuck

Blanchard:
William Blodgett
Charles Gilman

Uplands:
Dorothy Finley
John Finley
Madeline Finley
Ruth Rollins

Teachers

There has been but one change in our teaching force during the year. Miss Constance Dunlap, resigning in June was succeeded at the Kezer school by Miss Natalie Haddock of Lakeport, a graduate of Keene Normal School.

The teacher assignment, salary, and present enrollment in each school is here shown.

Teacher	School	Salary	Enrollment
Helen L. McCarthy	Blanchard	$850.	17
Catherine Curran	Carter	850.	23
Elizabeth F. Houser	Center	850.	27
Natalie Haddock	Kezer	800.	12
Helen Szalajeska	Uplands	825.	11

The total enrollment at this time is 90. A year ago the enrollment was 98.

Teachers salaries have been slightly raised. This was a deserved recognition of faithful and efficient services. The longer time required for preparation for teaching must necessarily bring about high salaries. Three years of normal school training are now required for preparation, and a new regulation will soon become effective which will call for four years of such training.

Graduation

Closing exercises for all the schools were held June 16, 1937. Certificates of graduation were presented to the following children.

Center:

Thomas Harrison Shattuck
Margaret Ida Pickard

Carter:

Eleanor Margaret Boyd
Albert Clayton Lee
Ella Mae Lee
John August Nelson

Blanchard:

Dorothy Luella Rogers
Clifford Allister Hirtle
Roland Gordon Johnson

Uplands:

Arthur Ai Kinne

Finances

The fiscal year ended June 30, 1937, with a balance in the treasury of $1,344.36. This balance was due in part to a smaller expenditure for high school tuition than was anticipated.

We are receiving as state aid this year $2,370.07. Next year our allotment will be approximately $2,750.00.

The following table shows the budget as voted at the annual meeting last March for this current school year, and the suggested budget for the next school year:

RUTH M. WHITCOMB, R. N.
School Nurse.

Suggestions

It would add much to the comfort of the children, particularly in the extreme winter weather if our school rooms could be equipped with jacketed stoves.

The Uplands and Kezer schools continue to have small enrollments. These two schools should be combined for the educational welfare of the children concerned.

There is a trend toward consolidation in many sections of the state. The number of one room rural schools is rapidly dropping. Wherever consolidation has been tried the results have been highly satisfactory. Canterbury should begin to think about the possibility and feasibility of bringing all the children of the district together to a consolidated school, centrally located. With greatly improved highways the transportation problem could be easily solved.

Music should be given much more attention in our schools than it is now receiving. We need a music supervisor. The returns which we would receive for the necessary expenditure for such a teacher would be considerable and satisfying.

The continued support which I have received from the School Board, and the co-operation and assistance of the teachers have my sincere appreciation.

Respectfully submitted,

CHANNING T. SANBORN,
Superintendent of Schools.
